The Commonwealth of Massachusetts

Office of the Secretary of State
Michael J. Connolly, Secretary

February 25, 1987

Mr. Robert MacQueen
Clerk of the House of Representatives
State House, Room 145
Boston, MA 02133

Dear Mr. MacQueen:

As required by chapter 165, section 1 of the Acts of 1985, I hereby submit to the General Court the results of the special 1986 census of race and language, "for the supplemental and informational use of the general court in making its new division of the commonwealth into representative, senatorial, and executive councillor districts, under article CI of the Amendments to the Constitution."

The answers to the following three questions are tabulated for each precinct (as redrawn in 1985) of each city and town:

1. Is this person -
(check one)
- White
- Black
- Asian or Pacific Islander
- American Indian
- Other (specify)

2. Is this person of Hispanic/Latino origin or descent (such as Puerto Rican, Cuban, Dominican, Mexican/Mexican-American/Chicano, Central American, South American)?
- Yes
- No

3. Does this person speak a language other than English at home?
- Yes (specify one primary language)
- No, only speaks English

"DNR" means "did not respond." Although the statute required answers to the questions for "each resident," the city of Boston and

the towns of Gill and Shelburne reported results only for those 17 years of age and older.

The major primary languages specified in response to Question 3 are included in this submission. Each city's and town's report, showing the races and other languages specified in the "other" categories above, is available in my office for the further information of the General Court.

Sincerely,

Michael J. Connolly

MICHAEL J. CONNOLLY
Secretary of State
